

Directions to Premium Outlet Gotemba

Go out the main gate and turn right. Go thru the tunnel and at the 3rd light turn left (About .5 km) Go about 1.5 km and turn right just past McDonalds onto route 51 towards Ebina. Go approx. 2 km and turn right onto route 246. towards Atusgi City. Go approx. 9.3 km to Tomei Expressway. On the way after the McDonalds (right side) you will see route 129 and 246 "Y" Follow route 129 towards Hiratsuka. Get on the Tomei and head towards Nagayo on the left side.

Get off on the #7 exit. After the toll gate, go left towards Yamanakako. You will then see signs to the Premium Outlet Parking areas. You can go to any of these and then catch a free shuttle bus to the Outlet. Busses run about every 15 min. I would recommend doing this as they go a way that is not heavily traf-ficked.
